

You are being asked to join the Finneytown Secondary PTA.

Why should you join the PTA?

There are many reasons! By joining the PTA, you are showing your involvement and support for your child in a simple way. Parent involvement is so important to a child's success in school! Surveys have shown that children of involved parents have better school experiences, higher grades, higher test scores, fewer disciplinary problems, and more supportive teachers.

How do we use your membership fees?

A small portion of membership fees goes toward Ohio PTA and National PTA dues, which gives you access to online parenting resources, information about national legislation impacting education, plus discounts and promotions! The majority of your membership fee helps our local PTA fund programs throughout the year such as teacher conference dinners, teacher appreciation week treats, After Prom, Wildcat Serve, scholarships for the 8th grade Washington DC trip and scholarships for graduating seniors.

Are you obligated to attend meetings?

NO! Just by paying membership fees, you are already supporting our students! But we'd love to see you at a meeting, too. We meet the 4th Tuesday of each month when school is in session. If the buildings are open, we meet in the High School Media Center. If the buildings are closed, we will meet virtually via Zoom. Come to a meeting and just listen, or feel free to share your thoughts and ideas!

Membership fees are \$15 for a single and \$25 for a couple.
