

You are being asked to join the Finneytown Secondary PTA.

You are probably going to ask:

WHY DO I WANT TO JOIN THE PTA?

By joining the PTA, you are showing your involvement and support for your child in a simple way.

Parent involvement is important to a child's success in school.

A survey has shown that children of involved parents have better school experiences, higher grades and test scores, few disciplinary problems, and more supportive teachers.

The membership fee is used toward Finneytown Secondary PTA sponsored events and activities.

A small portion of your membership fee goes toward the Ohio and National PTAs, which also can benefit you and your child.

When joining and providing your email address on your membership registration, you will:

- Have access to the online version of Our Children magazine.
- Receive the PTA Parent, an electronic newsletter published twice a month that cover parenting topics.
- This PTA Take Action, is an electronic newsletter produced when Congress is in session that explains national legislation affecting families and public education
- Exclusive National PTA member benefits, including discounts, special offers, and promotions from national companies

By joining the PTA, you are not obligated to attend monthly meetings. Everyone is welcome to attend, PTA meetings are held the Third Tuesday of every month, however your membership is providing support for PTA sponsored events.

Also enclosed in this packet is a bi-fold brochure that describes all of the events and activities that your Secondary PTA sponsors.
